

This intensive introductory dermoscopy workshop is intended for GPs, GPSIs, Dermatology SpR's and CNS's who wish to improve their dermoscopy skills. It is targeted at those clinicians performing, or planning to perform dermoscopy to assist in the management of skin lesions in primary care. Core aspects of dermoscopy will be covered from instrument selection, scope and limitations, classical features and problem areas.

The course is being held in the luxury boutique Malmaison Hotel in the heart of Birmingham. This is a part of the 'Mailbox' complex with its designer stores and chic bars/cafés. 'It is Birmingham's answer to Bond Street!' The Malmaison Hotel has its own leisure club & health/beauty spa (ref www.malmaison-birmingham.com). If accommodation is required then this can be booked directly with the hotel 'in-house reservations' on 0121 246 5000 quoting Primary Care Training Academy to get preferentially secured rates (**£109pp** B&B! or **£119** B&B Double Occupancy - normally ~£170 RO). The course starts on Friday morning, and closes at around 1630hrs in the afternoon.

The course is informal and sociable. The course consists of both theory and practical sessions. This course is currently going through an accreditation process.
